

Upcycling old umbrellas into beanbags

Place: AIA - MC Mengeš

Date: 15-05-2023

Budget: 20€ (for snacks)

Mode: Face to face

Target group: Target group is anyone interested in upcycling and sustainable lifestyle.

Collaboration: /

Goals: The goal is to promote a more sustainable way of living such as upcycling, to fight capitalism and actively oppose the linear economy. The goal is to also cocreate and unite people with the same vision and make a useful product.

Resources: We need 20 old/used/broken umbrellas, lots of old newspaper and 3-4 volunteers.

Dissemination: We will create a FB event, put up promotion posters and promote the event on IG.
